**FACILITATOR: PASTOR LEWIS HEMPHILL JR.**

## **LIT CLASS DESCRIPTION**

TLC's Leadership in Training class is a developmental pathway designed to equip, inspire and reproduce servant leaders in the church and outside the church. During this four-month program, you will grow personally, professionally and spiritually. You will develop a deeper understanding of who you are as a leader, while gaining an understanding of church leadership and team management. Throughout the program, you will be challenged to seek the Lord in refining your growth and ultimately become equipped to be the future leaders of The Link Church.

# SYLLABUS

## READING ASSIGNMENTS

There are three books to read this spring. The books are to be read in entirety according to the reading schedule given during class. It is important to develop a schedule so that you can be organized and not fall behind in your reading. It is your responsibility to purchase the following books:

**21 Laws of Leadership**  
By John Maxwell

**20/80 Rule**  
By Dr. Conway Edwards

**7 Habits of Highly Effective People**  
By Stephen Covey

There will also be Bible reading passages assigned each week for devotion.

## QUIZZES

You will have a timed quiz during each session at the start of class. Each quiz will consist of the scheduled book reading and devotional reading along with the church's purpose statement, mission statement, and the 2023 leadership mission statement.

## FINAL PROJECT

Your final project will be due on the last day of class. It will consist of writing and presenting a one-page article/blog on how to overcome a specific weakness. The weakness chosen should be the number one weakness that could stop you from becoming the leader you desire to become.
